- **Tools & Platforms:** JIRA, MS Excel, SQL (Intermediate), Postman, SharePoint, ATS Systems

PROFESSIONAL EXPERIENCE

BudMore Ltd – Remote / *Senior UKG WFM Consultant* / Jan 2024 – May 2025

- Led UKG Workforce Dimensions implementations for 3+ enterprise clients totaling nearly 2000 employees, configuring Timekeeping, Scheduling, Pay Rules, Accruals, and Workforce Analytics modules end-to-end.
- Configured Advanced Scheduler including shift rules, staffing coverage, and labor optimization settings, improving workforce planning efficiency by 25% and reducing manual scheduling effort by ~30%.
- Partnered with HR, Payroll, and Operations teams to gather requirements, conduct UAT testing, and support production deployment activities.
- Developed Tableau dashboards and BIRT reports to monitor workforce KPIs such as overtime trends, attendance, staffing utilization, and labor productivity.
- Reduced post-production issue resolution time by 20% through structured hypercare support and proactive monitoring of UKG integrations via Dell Boomi.
- Automated manual workforce tracking processes, reducing reporting turnaround time by 40% through Tableau dashboards and Dataviews.

BudMore Ltd – Remote / UKG WFM Consultant / Sep 2020 – Jan 2024

- Supported UKG Workforce Dimensions and Kronos Workforce Central environments across scheduling, timekeeping, and payroll processing for 500+ employees.
- Managed Kronos export jobs, validated interface outputs, monitored scheduled jobs, and resolved integration-related issues using Workforce Integration Manager (WIM) for interface configuration and data flow management.
- Configured pay policies, attendance rules, employee profiles, and scheduling templates based on business requirements.
- Worked closely with stakeholders to improve workforce reporting accuracy and automate manual workforce tracking processes.
- Created workforce dashboards using Tableau and Dataviews to support management reporting and operational planning.
- Collaborated with cross-functional teams during implementation cycles, testing phases, and production support activities.

Kocado Labs Pvt Ltd – Remote / Analyst / Sep 2017 – Sep 2020

- Payrule configuration and timekeeping with UKG.
- Worked on end-to-end integrations including REST APIs.
- Managed end-to-end technical recruitment processes including sourcing, screening, interview coordination, and onboarding.
- Worked with hiring managers and leadership teams to align recruitment strategy with project and workforce requirements.
- Utilized ATS systems and workforce reporting tools to improve recruitment efficiency and hiring turnaround time.

Golden Opportunities Pvt Ltd – Chennai, India / F&A Hiring Specialist / Apr 2016 – Mar 2017

- Handled finance and accounting recruitment activities including candidate sourcing, screening, interview scheduling, and onboarding support.
- Conducted market research and talent mapping activities to support recruitment planning.
